Regulations Adopted by F&W Commission

These regulations are adopted under the authority granted to the Fish & Wildlife Commission (F&W Commission) in MCA 87-1-301 and are valid March 1, 2015, through April 14, 2016. These regulations were adopted by the F&W Commission on June 11, 2015. The F&W Commission reserves the authority to amend the seasons, limits and regulations herein if deemed necessary for wildlife management purposes. M. Jeff Hagener, Director.

State and Federal laws, Title VI of Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, and Title IX of the Education Amendments of 1972, prohibit discrimination on the basis of race, color, sex, age, religion, national origin, or disability. Anyone believing he or she has been discriminated against (as described above) in any Fish, Wildlife & Parks (FWP) program, activity, or facility may write to FWP Personnel Office, 1420 East Sixth Avenue, PO Box 200701, Helena, MT 59620-0701 or the office of Equal Opportunity, U.S. Department of the Interior, Washington, D.C. 20240.

What's New & Reminders

What's New

- Quota changes in Regions 2 and 3.
- Some districts in Region 1 now have a male subquota.
- Apprentice Hunters - visit fwp.mt.gov after August 15 for details.

Reminders

- A General Lion License purchased after August 31 may not be used until five days after the license is issued. This license may be purchased at FWP offices, at License Providers or online.
- Deadline to apply for Special Mountain Lion License drawing is August 13.
- Unsuccessful applicants for a Special Lion License will be eligible to purchase only a Limited Region 2 General Lion License which is valid statewide in the Archery Only Season, in any open district during the Fall Season Without Dogs, in any open district during the Late Winter Season (Feb 01 – Apr 14) in Region 2 and in the Missoula Special Management Area
- Late Winter Season (Feb 01 - Apr 14) in Region 2 for General Lion License holders. See page 6 for details.
- Even though the 2015 Mountain Lion season extends into the 2016 license year, the deadline to purchase 2015 licenses is February 29, 2016.
- Payment of a mountain lion trophy fee is no longer required for successful hunters.

Licensing – Residency

It is illegal to swear to or to affirm a false statement in order to obtain an original or duplicate resident hunting and/or fishing license OR to assist an unqualified applicant in obtaining a resident license.

Resident

- To be a legal Montana resident and eligible to purchase any Montana resident fishing, hunting, and trapping licenses, as per MCA 87-2-102, you must:
  - claim Montana as your principal or primary home or place of abode.
  - have been physically living in Montana for at least 180 consecutive days immediately prior to purchasing a resident license;
  - register your vehicle(s) in Montana;
  - be registered to vote in Montana if you're registered to vote at all;
  - not possess current (or have applied for any) resident hunting, fishing, or trapping privileges in another state or country;
  - file Montana state income tax returns as a resident, if you are required to file.
- Once you have established your residency, you must continue to meet all these requirements and physically reside in Montana as your principal or primary place of abode for not less than 120 days per year (days need not be consecutive).
- To purchase an annual resident conservation license you will be required to show a valid Montana Driver's License (MDL), a valid Montana Identification Card (MIC) or a valid Tribal Identification Card.
- If your MDL or MIC has been issued for less than six months, you may be required to show additional proof of residency. An out-of-state driver's license is NOT an acceptable form of ID for resident license purchases. Contact your local FWP office for specifics.
- A person is NOT considered a resident for the purposes of this section if the person claims residence in any other state or country for any purpose.

- A person may not kill a mountain lion or bobcat with only an RHTL. To kill a mountain lion, you must hold a mountain lion license. To kill a bobcat, you must hold a furbearer license validated by November 30 for bobcat.
- A resident hunter with a valid mountain lion license is not required to have a resident hound training license to chase mountain lion.

State School Trust Lands Recreational Use License – The Conservation License allows hunters, anglers and trappers access to all legally accessible state school trust lands.

SuperTag Lottery for Mountain Lion

- Resident and nonresident hunters can buy an unlimited number of $5 chances per species by July 2nd to win a Montana hunting license for a mountain lion as well as antelope, bison, deer, elk, moose, sheep and goat.
- Each SuperTag license allows one to hunt in any Montana hunting district valid for that species.
- Chances are sold electronically at all FWP License Providers or via **fwp.mt.gov** online services.
- Proceeds from the sale of SuperTag chances will enhance public hunting access and boost FWP enforcement efforts.
- For more information visit FWP's website at **fwp.mt.gov**.

Interstate Wildlife Violator Compact – Montana is a member of the Interstate Wildlife Violator Compact. Under the compact, member states recognize suspensions of hunting, fishing or trapping privileges. It is illegal for a violator whose privilege to hunt, fish or trap is suspended to obtain or attempt to obtain a license, tag or permit in a member state. For more information, call 406-444-2452.

Hunters with a Disability

If you or someone you know has a disability and/or is aging, and is in need of assistive technology (AT) or adaptive equipment to help you participate in outdoor recreation, please contact MonTECH at the University of Montana Rural Institute at 52 Corbin Hall, University of Montana, Missoula, MT 59812; 877-243-5511 (toll-free instate only).

Youth Hunting Opportunities

A resident or nonresident youth who will reach 12 years of age by January 16, 2016, may hunt any game species for which their license is valid, after August 15, 2015. Proof of hunter education must be presented at the time of purchase.

Apprentice Hunter Law – A law enacted by the 2015 Montana Legislature allows apprentice hunters, 10-17 years of age, to obtain a certification to participate in several Montana hunting seasons. Apprentice hunters must be accompanied by an adult mentor and follow other rules. For information visit FWP's website after August 15 at: **http://fwp.mt.gov/hunting/licenses/all/apprentice.html.**

Hunter Education Requirements

Firearm and Archery Education Requirements – If you were born after January 1, 1985, you are required to show proof of completing a Montana hunter safety and education course (or an approved hunter safety course from any other state or province) prior to applying for or purchasing a hunting license, whether the hunting license is for the rifle or archery season.

- Montana law requires members of the armed forces and their dependents stationed in Montana to present a Montana hunter education certificate or similar certificate from any state or province when purchasing any Montana hunting license.
- Duplicates – Montana certificates of completion for the Montana hunter education and/or bowhunter education courses may be obtained from FWP's website.

Bowhunter Education Requirements – To purchase a Montana bow and arrow license, a hunter must:

- Provide a certificate of completing the National Bowhunter Education Foundation course, or
- Provide any prior year's bowhunting/archery stamp, tag, permit, or license from any state or province.

Definitions

Chase – To go after or on the track of.

Hunting District – Represents a hunting district OR group of hunting districts as specified under "Mountain Lion Hunting District Regulations".

Legal Female Mountain Lion – Any female mountain lion not accompanied by kittens with spots. No mountain lion with body spots shall be killed.

Legal Male Mountain Lion – Any male mountain lion without body spots.

Open Hunting District – A hunting district not closed to harvest.

Valid License – A current license year license. A valid license may be used to chase even after a mountain lion has been harvested.

Hunter Access

Closed Lands

State Game Preserves, National Parks, and National Wildlife Refuges are closed to mountain lion hunting. For additional information on state and federal regulations, contact the local land manager.

Private Land Access

- Montana law requires hunters to have the permission of the landowner, lessee, or their agent before hunting on private property, regardless of whether the land is posted or not. Access courtesy cards a are available at all FWP offices.
- Permission is required to release dogs or chase mountain lions and bobcats on private land.

Public Land Access

- Big game hunting between the ordinary high water marks of streams and rivers is illegal without landowner permission. Landowner permission must be obtained to hunt private lands adjacent to waterways.

FWP is working cooperatively with other agencies to improve signing of legally accessible public lands wherever possible. A map directory pamphlet is available at all FWP offices.

- Enforcement of Area Closures on Public Land: All federally approved travel plans on public lands in Montana are hereby adopted by the Fish & Wildlife Commission. Motorized travel in restricted areas in violation of any current travel plan or land use plan is prohibited during the hunting season.

State School Trust Lands

- Overnight (2 night) camping is allowed within 200 feet of a legal access point.
- Horses may not be kept on state land overnight.
- Motorized travel is only allowed on public roads or on designated roads.
- Game retrieval is by foot or horse only.
- No open fires are allowed except in designated campground fire pits.
- Firearms may not be discharged within one-quarter mile of an inhabited dwelling or outbuilding without permission of the inhabitant.
- Additional information is available from FWP or contact DNRC at 406-444-2074.

State Wildlife Management Areas (WMA)

Wildlife Management Areas are generally open to hunting during the fall mountain lion season. WMAs with big game winter range are closed to public entry, unless otherwise posted, from the day following the end of the general deer-elk season or December 1, whichever is later, to noon on May 15 each year, as posted.

Exception: There are several exceptions to these guidelines. For WMA specific information, please call the Regional office (see page 16 for contact numbers) or visit the FWP website at:

http://fwp.mt.gov/fishAndWildlife/wma/

Tribal Land

Big Game hunting by Non-Tribal members on Indian Reservations is prohibited by the State of Montana unless it is provided for in a cooperative agreement between the Tribal Government and the State of Montana. Check with local Tribal Government before attempting to hunt on an Indian Reservation. See "Contacts Outside FWP" on page 16.

Means and Methods of Hunting

As a big game animal, mountain lions may only be taken by hunting (firearms or archery).

Firearms

General Season

- There is no rifle or handgun caliber limitation for the taking of big game animals.
- Muzzleloaders, shotguns with 0, 00, or slugs, archery equipment, and crossbows are legal.

Archery Equipment

Archery Only Season and in archery equipment only areas.

- It is unlawful to use any chemical or explosive device attached to an arrow to aid in the taking of wildlife.
- Lawful Archery Equipment: It is illegal to possess, while hunting big game during any Archery Only Season and in archery equipment only areas, archery equipment that does not meet the following criteria.
- Hunting Bow: A hunting bow for big game shall be a longbow, flatbow, recurve bow, compound bow, or any combination of these designs.
- The bow must be a device for launching an arrow, which derives its propulsive energy solely from the bending and recovery of two limbs (includes bows with split limbs).
- The bow must be hand drawn by a single and direct uninterrupted pulling action of the shooter.
- The bow must be hand-held. One hand shall hold the bow and the other hand draw the bowstring. Exception: Physically disabled bowhunters certified by FWP with the Permit To Modify Archery Equipment (PMAE) are exempted from the requirement of holding or shooting the bow with their hands.
- A bow is considered legal if not shorter than 28 inches total length.
- The nominal percent of let-off for hunting bows shall be a maximum of 80 percent.
- Arrow: An arrow is a projectile at least 20 inches in overall length. The length of the arrow is measured from the rearward point of the nock to the tip of the broadhead.
- A broadhead is mounted on the fore end.
- The arrow shall weigh no less than 300 grains with the broadhead attached.
- Arrows must have broadheads with at least two cutting edges. Expandable broadheads are legal as long as when expanded they are at least 7/8 inches at the widest point, and weigh no less than 70 grains.
- The following are not considered a hunting bow or legal archery equipment during the Archery Only Season or in an ArchEquip Only area or hunting district:
  - Crossbow.
  - Any device with a gun-type stock or incorporating any device or mechanism that holds the bowstring at partial or full draw without the shooter's muscle power.
  - Any bow for which a portion of the bow's riser (handle) or any track, trough, channel, or other device that attaches directly to the bow's riser contacts, supports, and/or guides the arrow from a point rearward of the bow's brace height. This is not intended to restrict the use of standard overdraw systems.
  - Electronic or battery-powered devices attached to a hunting bow.
  - A bow sight or arrow which uses artificial light, luminous chemicals such as tritium, or electronics.

Prohibited Methods of Taking

- It is illegal to interfere/hinder with the lawful taking of a game animal.
- It is illegal for anyone to hunt or attempt to hunt any game animal or game bird:
  - from any self propelled (that is, motorized) or drawn vehicle. Even if the vehicle is not moving, hunters must be off or out of the vehicle. Holders of the Permit To Hunt From A Vehicle are the exception to this;
  - from, on or across any public highway or the shoulder, berm, barrow pit or right-of-way of any public highway (highway is defined as: the entire width between the boundary lines of

every publicly maintained way when any part thereof is open to the use of the public for purposes of vehicular travel, in the State of Montana);
  - by the aid or with the use of any set gun, jacklight, spotlight or other artificial light, trap, snare, salt lick, or bait, as per Montana law. Baiting shall mean the placing, exposing, depositing, distributing, or scattering of corn, wheat, or other grain or food sources so as to constitute a lure or attraction.
- Hunters may not use a motorized vehicle or aircraft to concentrate, drive, rally, stir-up, corral or harass wildlife except predators.
- In order to carry or use a firearm for any reason, a youth under 14 years of age must be accompanied by a person having charge or custody of the child, or be under the supervision of a qualified firearms safety instructor or an adult 18 years of age or older who has been authorized by the youth's parent or guardian, MCA 45-8-344.

General Regulations

It is illegal to

- "Party" hunt. Each hunter must shoot and tag his/her own animal.
- Loan or transfer their license to another person or use a license issued to another person.
- Carry or have physical control over a valid and unused hunting license or permit issued to another person while in any location where the species to be hunted occurs. Exception: a person may carry or have control over a license or permit issued to that person's spouse or any minor when the spouse or minor is hunting with that person.
- Alter a license or permit for any reason.
- Post state or federal land other than that done by a state or federal land agency.

Airplane Spotting

Aircraft may not be used to locate big game animals for the purpose of:

- Hunting those animals during the same hunting day after a person has been airborne or;
- Providing information for another person for the purpose of hunting those animals within the same hunting day after being airborne;

The use of unmanned aerial vehicles (UAV) for the purpose of locating, spotting or hunting big game, upland birds or other species under the management authority of FWP during commission-established hunting seasons is prohibited.

Bobcat and Lynx

Nonresidents may not take bobcats. Lynx are listed as a federally threatened species and there is no open season. It is a violation of both state and federal law to knowingly chase lynx with dogs.

Check Stations

All hunters are required to stop as directed at all designated check stations on their way to and from hunting and fishing areas, even if they have no game or fish to be checked.

Hunting Hours

Authorized hunting hours for the taking of big game animals begin one-half hour before sunrise and end one-half hour after sunset each day of the hunting season. See the official sunrise-sunset tables in these regulations.

Hunter Orange

Firearm Hunters

- Any person hunting or accompanying a hunter as an outfitter or guide must wear a minimum of 400 square inches of hunter orange (fluorescent) material above the waist, visible at all times.

Archery Hunters

- A licensed bowhunter pursuing mountain lion during the Archery Only Season is not required to meet the hunter orange requirement.

Inspection of Wildlife

Wildlife taken must be shown to FWP enforcement for inspection when requested.

License Possession

- Licenses must be carried on your person at all times while in the field hunting.
- Licenses must be produced if requested by FWP Enforcement personnel.

Limits and Seasons:

- A hunter may legally harvest/take one mountain lion per license year.

Marked or Radio-Collared Animals

It is legal to shoot game animals that have radio collars, neck bands, ear tags and/or other markers, but markers and radio collars must be returned to FWP. Please report the killing of a marked animal to the local FWP Office.

Motion-Tracking or Camera Devices

It is illegal for a person to possess or use in the field any electronic or camera device whose purpose is to scout the location of game animals or relay the information on a game animal's location or movement during any Commission-adopted hunting season.

Night Vision Equipment

It is illegal to use night vision equipment or electronically enhanced light gathering optics for locating or hunting game.

Possession and Sale of Wildlife Parts

- It is illegal to sell or purchase any part of a mountain lion except as allowed by the laws of Montana.
- The sale or purchase of hides, heads or mounts of lawfully killed mountain lion is legal.

Recorded Animal Sounds

It is illegal to use any recorded or electrically amplified bird or animal calls or sounds or imitations of bird or animal calls or sounds to assist in the hunting, taking, killing or capturing of any wildlife except predatory animals, as per Montana law.

Simulated Wildlife

It is illegal to discharge a firearm or other hunting implement at a simulated wildlife decoy in violation of any state statute or FWP commission rule regulating the hunting of the wildlife being simulated.

Transport of Big Game

- If you are transporting wildlife and/or fish including live animals, sport-taken game, parts and/or products between Montana and Canada OR between the US and any foreign country, whether for commercial or non-commercial purposes, you must complete a US Fish & Wildlife Service (USFWS) Declaration form (Form 3-177). Form 3-177 is also available at all US Custom Ports and on the USFWS website at **www.fws.gov**. Additional federal permits may also be needed to import/export wildlife, depending on the species. For further information contact the USFWS Wildlife Inspector at 406-582-0336, Bozeman or 406-329-3000, Missoula.
- A US Convention on International Trade in Endangered Species (CITES) export permit is needed to export mountain lion parts and/or products from the US.

Two-way Communication

Two-way electronic communication (radios, cell phones, text messages, etc.) may not be used to:

- hunt game animals or upland game birds, migratory birds or furbearers as defined in Montana law ("Hunt" means to "pursue, shoot, wound, kill, chase, lure, possess or capture."), OR
- avoid game checking stations, FWP enforcement personnel, or to facilitate illegal activity.
- When hunting mountain lions or bobcats with dogs, this rule applies when dogs are placed or physically released on tracks or a scent trail.

The rule shall not be interpreted to prohibit the possession or use of two-way radios for safety or other legitimate purposes, nor does it prohibit the use of radio tracking equipment to locate hounds when hunting mountain lions or bobcats.

Waste of Game

Mountain lion is excluded from being considered as "suitable for food" under big game regulations. A person that harvests a mountain lion must possess the head and hide, with evidence of sex naturally attached. The remaining carcass may be taken in possession or be left in the field.

Trichinella in Mountain Lions

Trichinella is a parasite of mammals and some birds. Immature parasites develop cysts in the muscle of the host animal and are transmitted to a new host when infected meat is eaten raw or undercooked. Wild animals rarely show signs of infection. Humans and domestic dogs or cats can become infected with Trichinella by consuming raw or undercooked meat from an infected animal. Symptoms of infection vary and may be severe. All bear and mountain lion meat should be treated as if it were infected. Freezing will not kill the organism; however cooking at temperatures above 165 degrees Fahrenheit will kill the parasite. Many processing techniques (jerky and smoked meats) may not reach the proper temperature. FWP recommends that all mountain lion and bear meat be well cooked to an internal temperature of 165 degrees before consumption by humans or pets. FWP does not offer Trichinella testing. For further information call the FWP lab at 406-994-6357.

Common Sense Precautions When Field-Dressing Big Game

To minimize risk of disease or parasite transmission to humans, follow these proper ways to handle wild meat:

- Wear rubber (latex) gloves when field dressing game.
- Minimize contact with animal fluids, brain and spinal tissues.
- Wash hands and instruments thoroughly after field dressing or processing.
- Cook all meat until well done before consuming.

To minimize the risk of disease or parasite transmission to your domestic dog, prevent the consumption of big game viscera.

Mountain Lion Hunting Seasons

Archery Only Season Without Dogs – September 5 - October 18, 2015.

- Resident and nonresident hunters with either a General Mountain Lion License, a Special Mountain Lion License OR a Limited Region 2 General Lion License may harvest any legal lion in any open district statewide during the Archery Only Season.
- A bow and arrow license, plus the proper hunting license is required during mountain lion Archery Only Season or to archery hunt mountain lion in an Arch-Equip only area or hunting district.
- Use of dogs is prohibited during the Archery Only Season.
- The Archery Only Season for mountain lion will close:
  - with the end of the Archery Only Season or,
  - earlier upon reaching 20 percent of a district total quota or 20 percent of special mountain lion licenses, or
  - when one mountain lion is taken in those districts with a total harvest quota of less than five mountain lions or less than five special mountain lion licenses.
- When a district closes during the Archery Only Season, the Fall Season Without Dogs in that district will not open.
- In general license areas, the Archery Only Season harvest will be deducted from the district quota and subquota.
- In special mountain lion license areas, the Archery Only Season male or female harvest will be deducted from that district's respective Fall Season Without Dogs male or female mountain lion subquota or quota.
- Reporting requirements are listed under "Procedures to Follow Upon Harvesting a Mountain Lion".
- Female mountain lions with kittens may not be taken.
  - If a lactating female is killed, the hunter must inform an FWP official as soon after the kill as possible.
- No mountain lion with body spots shall be killed.

Fall Season Without Dogs – October 24 - November 29, 2015

- Resident and nonresident hunters with either a General Mountain Lion License, a Special Mountain Lion License OR a Limited Region 2 General Lion License may harvest any legal lion in any open district statewide during the Fall Season Without Dogs.
- Use of dogs is prohibited during the Fall Season.
- The fall mountain lion season will close:
  - with the end of the general deer/elk season or,
  - earlier upon the combined Archery Only Season and Fall Season Without Dogs harvest reaching 20 percent of a district total quota, or
  - when one mountain lion is taken in those districts with a total harvest quota of less than five mountain lions or less than five special mountain lion licenses.
- In general license areas, the combined Archery Only Season harvest and Fall Season Without Dogs harvest will be deducted from the district quota and subquota.
- In special mountain lion license areas, the combined archery only and Fall Season Without Dogs male and female mountain lion harvest will be deducted from the respective male or female mountain lion subquota or quota.
- Reporting requirements are listed under "Procedures to Follow Upon Harvesting a Mountain Lion".
- Female mountain lions with kittens may not be taken.
  - If a lactating female is killed, the hunter must inform an FWP official as soon after the kill as possible.
- No mountain lion with body spots shall be killed.

Winter Season – December 01, 2015 - April 14, 2016

- When the male or female subquota or quota is reached in a hunting district, the mountain lion season for that subquota or quota in that hunting district will close upon 24-hours notice, but no later than April 14.
- General mountain lion license holders may harvest a mountain lion in any open General Mountain Lion License hunting district during the Winter Season.
- Special mountain lion license holders may harvest a mountain lion only in the hunting district, portion of the district, or group of districts for which the special mountain lion license is valid during the Winter Season.
- Female mountain lions with kittens may not be taken.
  - If a lactating female is killed, the hunter must inform an FWP official as soon after the kill as possible.
- No mountain lion with body spots shall be killed.

Late Winter Season – February 01, 2016 - April 14, 2016

- Region 2 hunting districts with Special Lion Licenses are open to Limited Region 2 General Lion License holders for this late portion of the Winter Season until the harvest quota is reached. License holders must check the quota status before hunting in a Late Winter Season. The season will not open if Special Lion License holders fill the quota by February 1.
- When the male or female subquota or quota is reached in a hunting district, the mountain lion season for that subquota or quota in that hunting district will close upon 24-hours notice, but no later than April 14.
- General Mountain Lion License holders may harvest a mountain lion in any open Region 2 General Mountain Lion License hunting district during the Late Winter Season.
- Special Mountain Lion License holders may harvest a mountain lion only in the hunting district, portion of the district, or group of districts for which the Special Mountain Lion License is valid during the Winter Season.
- Female mountain lions with kittens may not be taken.
  - If a lactating female is killed, the hunter must inform an FWP official as soon after the kill as possible.
- No mountain lion with body spots shall be killed.

Winter Season General License Harvest Quotas

- Mountain lion quotas fill quickly in some hunting districts so hunters should check harvest closure information frequently.
- When the subquota or quota is reached in a hunting district, the mountain lion season for that subquota or quota in that hunting district will close upon 24-hours notice, but no later than April 14.
- When the total quota is reached in a hunting district, the mountain lion season in that hunting district will close upon 24-hours notice to the harvest of all mountain lions, but no later than April 14.
- The Fish & Wildlife Commission has authorized the department to initiate closure prior to reaching the total quota or subquota when conditions or circumstances indicate the total quota or subquota may be reached within the 24-hours closure notice period.

Hound Training Season – December 2, 2015 - April 14, 2016

- A hunter with a resident hound training license may legally chase mountain lions in any valid hunting district statewide from December 2 - April 14.
- A hunter with a valid general mountain lion license or special mountain lion license, may legally chase mountain lions in any valid hunting district statewide December 1 - April 14.

Procedures to Follow After Harvesting an Animal

Harvest Limit

- A hunter may take one legal mountain lion.

Evidence Required of Game Animal's Sex and Species

- It is illegal to possess or transport the carcass of any big game animal unless evidence of the animal's sex and species remains naturally attached to its carcass or a portion of the carcass.
- Evidence of sex must remain naturally attached to the hide. The following are considered lawful evidence of sex:
  - Males: testicles or baculum;
  - Females: vulva.

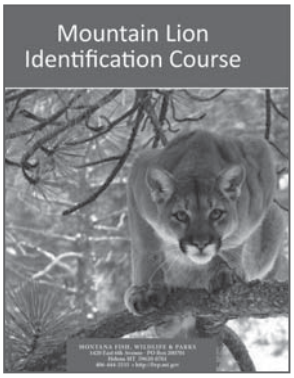
License Validation and Tagging

- A hunter must cut out the proper month and day of the kill from the appropriate license and attach it to the animal before the carcass is removed from the site of kill, or before the hunter leaves the site of the kill.
- The license must be attached to the animal in a secure and clearly visible manner.
- To properly validate a license (sometimes referred to as a tag):
  - the triangles denoting the month and day the animal was killed must be completely removed. Tearing, slicing or punching the tag is not legal.

The *Mountain Lion Identification Program* is a voluntary training program available to anyone who is interested in mountain lion ecology and/or who wants to hunt mountain lions.

The course:

- presents information about mountain lion biology;
- explains how to determine the gender of a mountain lion; and
- presents some of Montana's laws and regulations pertaining to mountain lion hunting.



For more information, go to fwp.mt.gov/education/hunter/mountainLionID

Mandatory Reporting Requirements

- Hunters must personally report their mountain lion kill within 12 hours by calling the mountain lion reporting line at 1-877-FWP-WILD (1-877-397-9453) or 406-444-0356.
- Within ten (10) days of harvesting a mountain lion, the successful hunter must personally present the hide and skull to a Montana FWP official. The hide and skull **must** be presented in a condition that allows full inspection and tooth collection (i.e. unfrozen) for the purpose of:
  - inspection and registration of kill.
  - verify evidence of sex.
  - removal of a tooth for aging purposes.
  - issuance and attachment of a hide tag. The hide tag must thereafter remain attached to the hide until tanned.

Harvest Reporting and Status/Closure Information

- To report a harvest, call 1-877-FWP-WILD (1-877-397-9453) or 406-444-0356 .
- Harvest status/closure may be obtained:
  - by calling 1-800-385-7826 or 406-444-1989 for statewide information or,
  - by checking the FWP website at fwp.mt.gov available 24-hours a day.
- The toll-free line and FWP website are updated daily by 1 p.m. MST.

Use of Dogs

- A hunter with a valid general mountain lion license may legally:
  - harvest a mountain lion with dogs in any open general license hunting district during the Winter Season.
  - harvest a mountain lion with dogs only in the hunting district for which the special mountain lion license is valid during the Winter Season. Exceptions: hunting districts 150 & 151 are open to the use of dogs September 15 - April 14.
  - chase mountain lions in any valid hunting district statewide December 1 - April 14. Exceptions: hunting districts 150 & 151 are open to the use of dogs September 15 - April 14.
- A hunter with a valid resident hound training license may legally chase mountain lions in any valid hunting district statewide December 2 - April 14. A person may not kill a mountain lion or bobcat with a resident hound training license.
- Authorized **mountain lion hunting and chasing** hours begin one-half hour before sunrise and end one-half hour after sunset for the dates listed by hunting district.
- Authorized **bobcat hunting** begins one-half hour before sunrise and ends one-half hour after sunset.
- Authorized **bobcat chasing** begins:
  - one-half hour before sunrise and ends one-half hour after sunset in the hunting districts where mountain lion season is open.
- Nonresidents may not hunt or chase bobcat. Residents must possess a valid trapper's license to hunt and chase bobcat or an RHTL to chase bobcats.
- Permission is required to release dogs or chase mountain lions on private land.
- It is prohibited for a dog owner or mountain lion hunter to release dogs on a mountain lion track, or allow dogs to chase a mountain lion, or hold a mountain lion at bay during any period of the day or year when the season is not open to hunting or chasing mountain lions. Legitimate attempts to retrieve loose dogs after legal hunting hours does not constitute a violation of this rule.
- Persons handling dogs in the field are required to:
  - have a valid general mountain lion license if hunting or chasing; or
  - have a valid special mountain lion license if hunting or chasing; or
  - have a Resident Hound Training License to only chase.
- Outfitters and guides will be eligible to handle hounds with only a valid conservation license and a valid Montana outfitter or guide license in their possession. Guides will also be required to provide the license number of the outfitter on whose license they are guiding if required to do so by an FWP employee.

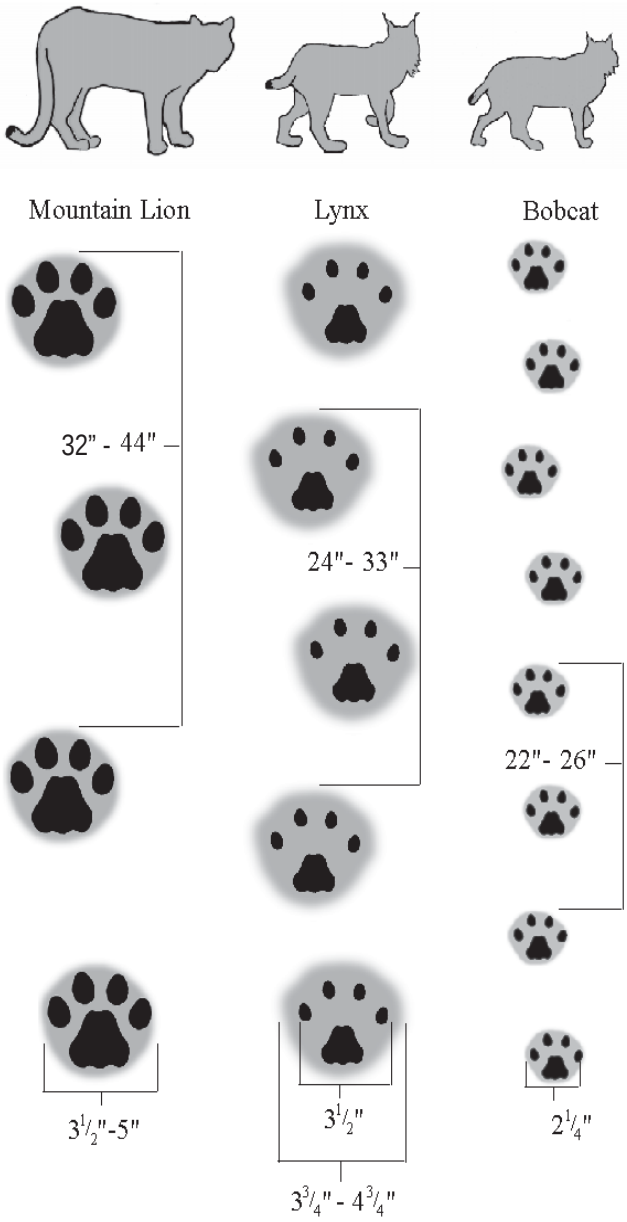
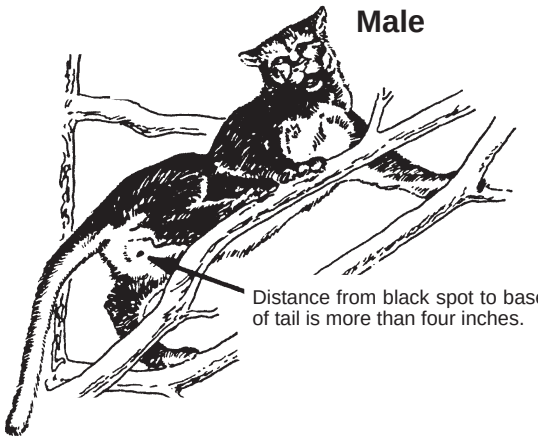
Cat Identification



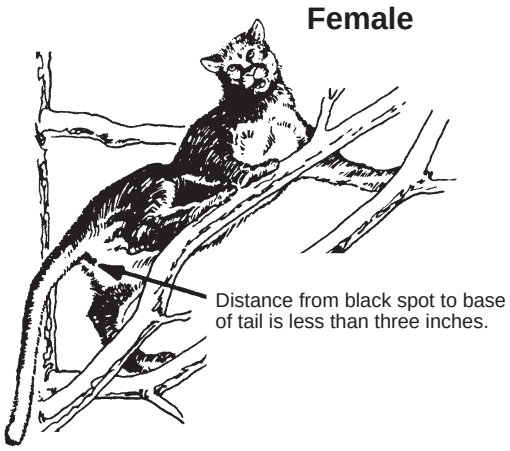
- Note differences in tail length of mountain lion and black markings on tip of lynx and bobcat tails.
- Lynx ear tufts are longer than bobcat ear tufts.
- Mountain lion and lynx foot sizes are similar; bobcat is much smaller.
- Tracks are shown with shaded area representing impression of hair in the snow.
- Note track size and stride length differences between species.

Sex Determination of Mountain Lion

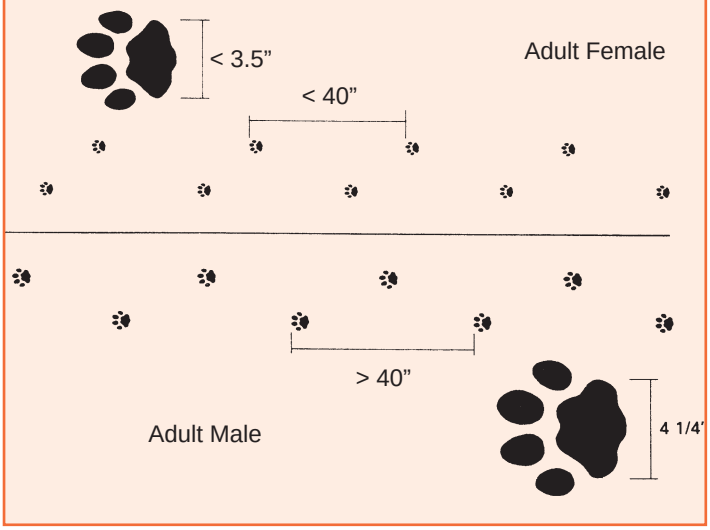
Male adult and subadult lions have a conspicuous black spot, about one inch diameter, surrounding the opening to the penis sheath behind the hind legs and about four to five inches below the base of the tail.



Female adult and subadult lions may have black fur surrounding the vulva and located about three inches or less from the base of the tail.



Pad Width & Stride Length - potential indicators of sex



2015-2016 Sunrise-Sunset Tables For Determining Hunting Hours

These tables, including adjustments for daylight savings time, are the official sunrise-sunset tables adopted by the Montana Fish & Wildlife Commission for hunting in Montana. Authorized hunting hours for the taking of mountain lion begin one-half hour before sunrise and end one-half hour after sunset each day of the hunting season. **(Do not utilize from other sources)**.

Together, we can stop poachers.

It's time to say Enough is Enough!

Year-round and statewide, poachers are taking Montana's biggest and best game animals. Poaching is illegal. And it robs law-abiding hunters of hunting opportunities.

FWP game wardens have broken major poaching rings recently. TIP-MONT callers have increased the effectiveness of our warden's ability to protect Montana's resources. With your help, we can reduce poaching.
